Thursday 10th August Kick Off: 19:30

NEWCASTLE UNIVERSITY AFC

V

JARROW

EBAC NORTHERN LEAGUE 2nd Division

Newcastle
University

AN INTRODUCTION TO NEWCASTLE UNIVERSITY AFC

Newcastle University Athletic Football Club, known affectionately as “The Royals”, is a proud sports team of Newcastle University.

Our sports teams have finished in the top 10 out of around 146 Higher Education institutions in the British Universities and Colleges Sports (BUCS) table for seven of the last ten years. Newcastle University Athletic Football Club boast a BUCS and Northern Alliance league title, along with the Northumberland FA Scott’s Les Todd Benevolent Bowl trophy from the 17/18 season.

NUAFC has established itself as one of the biggest, proudest and most successful clubs at Newcastle University. The club has gone from strength to strength in recent years, namely winning AU Club of the Year in 2017 and BUCS Northern 1A league title in the 18/19 season.

However, on top of this we are one of very few university football clubs who compete outside of BUCS on the national scene. Attaining Northern League 2 status was a huge step for the club and a challenge we look forward to taking on, after winning the Northern Alliance Premier in the 17/18 season and gaining promotion. One of the core aims of the club is player development and prides itself on trying to play football the right way. This has led to players going on to represent England Universities.

NUAFC was promoted to the top level of University sport BUCS Premier after promotion in 2020.

Season 2021/21 saw the club have success in this reaching the semifinal of BUCS national championships.

Alongside this they reached the final of the Earnest Armstrong cup losing on penalties achieving a respectable finish in their first completed Northern league season.

NEWCASTLE UNIVERSITY AFC

JARROW HISTORY

Jarrow were formed in 1981 and played at Perth Green Community Association, which is still Jarrow's home ground today. We were previously known as Allison Arms Perth Green and played in the South Tyne League winning both league titles and cups.

Jarrow then progressed to the Savacentre Washington League, after making significant ground improvements they changed their name to the town of Jarrow and entered the Wearside League. Our most notable success in the Wearside league was winning the Shipowners cup in the 2001 / 02 season and lifting the League title for the season 2016 / 17.

During the 2016 / 17, and in preparation for our ambition of gaining promotion to the Ebac Northern League Division 2, significant investment was made to the ground. Floodlighting, new dug outs, new stand, major alterations to the changing rooms to name but a few.

The ground inspection was passed on 31st March 2017, it was now down to the team on the pitch, and they didn't disappoint, gaining promotion on 19th April, securing the league title on 22nd April, a fantastic achievement and a piece of history made for Jarrow FC as they play in the Northern League for the first time.

Jarrow FC are a Community Chartered Standard Club and have a thriving junior set up consisting of all age groups from tots, under 7's to under 18's, providing playing opportunities for over 300 children.
