PRE-EXERCISE HEALTH INFORMATION

If you are currently suffering from, or have suffered from in the past any physical condition that you think may affect your ability to exercise (e.g. heart disease, cardiovascular problem, high/low blood pressure, dizziness, asthma, pain or limited movement in any joints, recent operation or illness) then you need to let us know prior to undertaking any physical exercise. If you have any other concerns about exercising then please contact us so we can talk to you about these concerns.

Should your health or medical circumstances change sufficiently during your period of membership, which may affect your ability to exercise, then you should immediately inform a member of Sports Centre staff prior to undertaking any further physical activity. The member of staff will then discuss it with you.

All members are subject to:

- (i) All Centre regulations including the 'Conditions of Use' and 'Local Rules of Use' document available on our website <http://www.ncl.ac.uk/sport/campus/indoor/conditions.htm>
- (ii) The University Disciplinary Procedures.

Data Protection Act

We will only use your information for administration purposes, such as maintaining your Sports Centre membership, communicating with you as a Sports Centre member and monitoring health and safety issues. We don't retain your data once you cease to be a Sports Centre member.

Your personal data will also be used, from time to time to supply you with information in respect of the facilities offered by the Centre.

Please tick to confirm that you fully understand and agree to all terms and conditions
