

## Stage 2, Welcome Week

You may hear this week being called induction week or welcome week. In the **School of English Literature, Language and Linguistics (SELLL)**, we prefer Welcome Week, as we are welcoming you back to our city, Campus, and community.

### The week has been planned to give you:

- Opportunities to think about **life after University**, whether that be further study or careers
- More information about using our libraries to **enhance and support your studies** as you undertake more independent research
- A chance to **reconnect** with your personal tutors and get involved in the SELLL community
