

School of Modern Languages Language Modules 2024/25

The School of Modern Languages (SML) offers language modules as listed in the table below. If you wish to take a language module with the School of Modern Languages, it must be part of the 120 credits of your own degree and you must have permission from your Degree Programme Director if the language is not part of your Programme Regulations. **You must register for your chosen module/modules within your own School.**

There are induction meetings for each language on **Thursday 19 September 2024** and it is important that all students wishing to take a language attend.
