The idea behind this trip is to introduce you to some of the many ways in which the buildings, art and literature of ancient Greece and Rome have influenced western — and particularly British — culture, while also introducing you to some of the rich history of the region.

The trip combines a guided tour of part of the house and grounds, with the opportunity to explore both by yourselves at your own pace. There is an excellent café on site, and ample space for picnics on the grounds.

IMPORTANT DETAILS

Coaches will depart at 09:30am from the layby on Claremont Road, next to the Great North Museum. Please meet outside the main entrance to the Great North Museum at **9:10am** where your academic lead will meet you. Coaches will return back from the Hall at 3:30pm.

In order to attend, please complete the [online form](#) before **12 noon on Monday 16th September**.
