

## Lesson Plan

<b>Title: Finding and Managing Information</b>		
<b>Stage / School:</b> Stage 3 - SACS	<b>Date:</b> Autumn	<b>Duration:</b> 1 hour
<b>Type of Session:</b> Interactive lecture	<b>Number of students expected:</b> 106	
<b>Context</b> ( <i>Is this session part of a series? Is it for a particular assignment?</i> ): Session is intended to develop skills to support Journalism and Media Research Dissertation and Media Research Dissertation. Students have had media sessions from the Library in 1 <sup>st</sup> and 2 <sup>nd</sup> years, however, they will not yet have been introduced to search strategies and advanced searching techniques.		
<b>Aim(s)</b> ( <i>What is the purpose of the session?</i> ): To enable students to produce a search strategy for their literature review and make a decision about how they will manage their information during their dissertation research.		
<b>Learning outcomes</b> ( <i>what the students will be able to do by the end of the session?</i> ): <ul style="list-style-type: none"><li>• Develop their own search strategy including:<ul style="list-style-type: none"><li>• Break down their research question and identify key themes and words.</li><li>• Apply the basics of BOOLEAN searching (AND/OR/NOT).</li><li>• Identify and use synonyms.</li><li>• Fill in the library search planner tool.</li></ul></li><li>• Perform advanced searching techniques in a range of subject-specific resources including Scopus, and Film and TV index.</li><li>• Explain what a 360° search is, describe how it might be useful and employ it in their own searching.</li><li>• Save searches and set up email alerts to keep up-to-date with key journals/resources.</li><li>• Describe the currency, relevance, accuracy, authority and purpose of potential sources of information, making appropriate selections for their needs.</li><li>• Decide on a workflow for managing information which suits their purposes.</li><li>• Outline where they would go to get help and support with their literature searching.</li></ul>		
<b>Pre-session work required by students:</b> No	<b>Resources embedded on Blackboard:</b> Lecture Slides Search Planner Finding Information Guide: <a href="https://libguides.ncl.ac.uk/finding">https://libguides.ncl.ac.uk/finding</a> Subject Guide Material adapted from HSS8002 blended learning including videos and interactive materials on finding and managing information.	

Timings	Content/topic	Teacher Activity	Student Activity	Resources used
5 (5)	<b>Introduction / context of the session:</b> Point to session material embedded into Blackboard.	Explaining / presenting.	Listening.	Slides.
15 (20)	<b>Search Strategy:</b> Activity - Dissertation speed dating.  What is a search plan / process? <ul style="list-style-type: none"> <li>- Why is it important?</li> <li>- Example of breaking down a question and mind mapping / identifying key words.</li> <li>- Boolean operators and combining words.</li> <li>- Show search planner tool and encourage them to use it after session. Stress this is a process that you keep adding too.</li> </ul>	Explaining / presenting Facilitating.	Participating in speed dating activity in small groups – talking about their topic and then note taking about others' topics. -Reflecting on the keywords that their neighbour has given them.  Listening/observing.	Slides / Search planner on website
2 (22)	<b>What sources and types of info to use?</b> <ul style="list-style-type: none"> <li>- Will need to think broader than just books and ebooks and potentially journal articles. Use different types of information which you may not have used before in academic work.</li> <li>- Different types of information do a different job.</li> <li>- Emphasise the need for balance in a dissertation.</li> <li>- No such thing as bad information, it's about information that does the job that you need it to do and that it is the highest quality that it can be.</li> <li>- What types of information you need will impact on where you will plan to look.</li> </ul>	Explaining / presenting.	Listening / responding to questions.	Slides.
3 (25)	<b>Library Search Demonstration:</b> <ul style="list-style-type: none"> <li>- Search for <b>Race AND Media</b> in everything except articles.</li> <li>- Use advanced search for: <b>(race OR racial) AND media AND identity</b>. Change to search 'everything'</li> <li>- Login and highlight pinning, saved searches and alerts.</li> <li>- Point to peer review as a refine option and show how to export to EndNote.</li> </ul>	Demonstrating / explaining.	Watching / option to follow along on demonstration.	Library Search.
15 (40)	<b>Subject Guide</b> <ul style="list-style-type: none"> <li>- Highlight main tabs in Subject Guide, showing range of resources, in particular focus on Journal databases</li> <li>- Ask what they have been using and tailor following demos accordingly:</li> </ul>	Demonstrating / explaining.	Watching / option to follow along on demonstration.	Subject Guide / Scopus / BoB / Film and TV literature index / Bridgeman / Lexis / Gale /
	<b>Scopus Demo:</b> Search for <b>Race and Media:</b>			

	<ul style="list-style-type: none"> <li>- Re-do search for <b>(race OR racial) AND media</b>. Show how to go back and alter search and then point to the search history.</li> <li>- Point out refine menu, focusing on document type and sources– possibility of getting review articles and conference papers</li> </ul> <p>Go through the results:</p> <ul style="list-style-type: none"> <li>- how to put the most cited at top</li> <li>- Use of keywords and indexed terms to feed back into own search</li> <li>- 360 degree searching – including related documents, any social media / plum analytics</li> <li>- Bibliographic details – need to use find at Newcastle to show full text</li> </ul>			Newspaper Guide.
	<p><b>Fim and TV literature index demonstration:</b>  Search: (race OR racial OR ethnicity) AND media representation (leave it set to any field).</p> <ul style="list-style-type: none"> <li>- Show refine menu and then select peer-review. Ask them what it means. Refine by peer reviewed.</li> <li>- If wanted to focus results even more could change the search field for media representation to abstracts. Explain this would mean it would need to be a major part of the research for it to be mentioned here.</li> <li>- Click on title and point out search terms, pdf and saving, citing options.</li> </ul>			
	<p><b>Bridgeman Demonstration:</b></p> <ul style="list-style-type: none"> <li>- Stress drawbacks of Google images. Not certain of copyright and not knowing if it is the original and hasn't been tampered with. Save time by going straight to Bridgeman.</li> <li>- Bridgeman covers not only paintings, but posters and artefacts.</li> <li>- Search for Olympic games – show how you can enlarge, download and cite.</li> <li>- Can also search by topics: go to subjects &gt; objects &gt; cards and postcards.</li> </ul>			
	<p><b>Box of Broadcasts Demonstration:</b></p>			

	<ul style="list-style-type: none"> <li>- Highlight draw backs of iplayer. Positive of BOB is that it goes back around 12 years. Over 65 channels. British Freeview channels including radio and some European too.</li> <li>- Explain what it is, guide, how to request a programme, searching “Online dating” (show search options e.g. can limit to radio / TV only). Show playlist for Brexit.</li> </ul>			
	<p><b>Lexis Demonstration:</b> Coverage UK national and regional from 1990 to present day:</p> <ul style="list-style-type: none"> <li>- Search: Migrants.</li> <li>- Show how you can narrow it down, e.g. headline only, last six months, The Guardian. Could also search for Newcastle chronicle in the box.</li> <li>- Point out that when you click on article you can email, download, cite etc. Point out that no images are included. May want to go to a different source if needed.</li> </ul>			
	<p><b>Gale historic newspapers Demonstration:</b> Gives us access to nearly all our news archives except from the Guardian and the observer:</p> <ul style="list-style-type: none"> <li>- Search in advanced search.</li> <li>- Explain you can limit which databases you search across. Point out illustrated works if for example you want to search by cartoon.</li> <li>- Go to publication date and do after Blair general election (put in search box Tony Blair and limit it to 2 May 1997)</li> <li>- Point out how you can refine on left hand side and also publication sections e.g. just want to look at adverts or letters.</li> <li>- Can click on title and zoom in. Point out email / citation tools.</li> <li>- Another useful thing is to see when terms have been used. Go to term frequency and then suffragette.</li> </ul>			
5 (45)	<p><b>Where else to search / search techniques</b></p> <ul style="list-style-type: none"> <li>- Using Google – how to use it effectively: <ul style="list-style-type: none"> <li>o Advanced search: especially site search for ac.uk</li> <li>o Google Scholar.</li> </ul> </li> <li>- Recap narrowing and broadening and search techniques</li> <li>- What to do when can't find the information you need.</li> </ul>	Presenting / explaining.	Listening.	Slides / Google Scholar / Advanced google.
5 (50)	<p><b>Evaluating the information you find:</b></p> <ul style="list-style-type: none"> <li>- 6 questions.</li> </ul>	Presenting / explaining.	Listening.	Slides.

	<ul style="list-style-type: none"> <li>- Mind the gap – going back and re-looking at search strategy. What do you need to do differently to find the material you need?</li> </ul>			
3 (53)	<p><b>Saving searches and alerts:</b> Can set up alerts in most of the databases, have looked at this in demonstrations. Encourage students to do this after the session.</p>	Presenting / explaining.	Listening.	Slides.
5 (58)	<p><b>Managing your references:</b></p> <ul style="list-style-type: none"> <li>- Discuss if students have given any thought to how they will manage the information they find?</li> <li>- Give brief overview of EndNote. Stress that you can just use it as a storage device or can use it to insert references.</li> <li>- Show students where to find EndNote material so they can look it in their own time (also embedded into Blackboard)</li> </ul>	Presenting / explaining.	Listening.	Slides / Blackboard / EndNote Guide.
2 (60)	<p><b>Summary:</b> Reminder:</p> <ul style="list-style-type: none"> <li>- Search planner.</li> <li>- Blackboard material.</li> <li>- 1 to 1 help.</li> </ul> <p><b>Ask for Feedback:</b> What is the one thing you are going to take away from today?</p>	Presenting.	Listening / Providing feedback / Asking questions.	Slides / Post-its.
