Dates to keep in mind:

- **Module amendment deadline:** by 4th October – you're able to submit a Module Amendment form until the end of teaching week 2 each semester, so if you find you're not getting on with a module you can request to change this. If the module is compulsory then it can't be changed, if you have queries then get in touch with your DPD for Stage 2 (Sadek Kessous). You must check the timetable for clashes between lectures before submitting the request.
