

**SCHOOL OF MEDICINE**

**RECOGNITION OF PRIOR LEARNING (RPL) AND CREDIT TRANSFER FOR  
MEDICAL DEGREE PROGRAMMES**

**2025-26**

**SCOPE OF APPLICATIONS**

This statement covers the following medical programmes:

MBBS  
MBBS (ACCELERATED)  
MBBS NUMed

The above non-modular professional degree programmes are responsible for graduating students who meet the standards of the General Medical Council. Therefore, it is not possible for these programmes to accept Recognition of Prior Learning, Recognition of Prior Experiential Learning or Credit Transfer.

Similarly, due to the differences in curriculum delivery between medical schools, applications to transfer from another medical school will not normally be considered unless there are exceptional circumstances. It is unlikely it will be possible to accredit prior learning in these circumstances.
